

Alberta's cancer-free movement

February 15, 2011

Edmonton Gymkana Association
PO Box 39 Site 12 RR 4
Stony Plain AB T7Z 1X4

Dear Friends,

Thank you ... on behalf of the Alberta Cancer Foundation for your generous gift to support our progress in cancer research, prevention and care.

The Alberta Cancer Foundation continues to make tremendous advancements in technology, drug development and in understanding the fundamental nature and causes of cancer. This new knowledge is being translated into real results for our patients—helping us to develop more effectively targeted treatments, and more importantly—helping us to, one day, prevent cancer from happening in the first place.

If you ever have any questions of the Alberta Cancer Foundation, or would like information about any of the areas we support, please do not hesitate to contact me at (780) 643-4661. Alternatively, I would be more than happy to meet with someone from your association to personally thank you for your generosity and share information about the exciting initiatives that the foundation is supporting. Again, thank you - I extend our warmest appreciation for your special gift.

Sincerely,

Jen Panteluk
