Dear Gymkhana Members:

Every year, 630 CHED Santas Anonymous provides the spirit of Christmas to Edmonton's less fortunate children. Each child in need receives a gift of new toys to fill their holidays with joy. This is a grand and ambitious endeavor serving approximately 25,000 children. The magic of giving is made possible only by the generosity of donors.

Each individual and group who assists our cause is a part of the huge effort that goes into making our annual Christmas dream come true. One thing we've learned over the years is that this program is just as important for the people who *give* as it is for the people who *receive*. Those who donate toys, money or time have a sense of proprietorship over 630 CHED Santas Anonymous and have made it part of their annual Christmas tradition. Those who receive have told us that being remembered at Christmas makes a difference that lasts a lifetime.

Thank you so much for support of this most worthwhile cause.

Sincerely,

Lana Nordlund  
Executive Director
