

LITTLE BITS

THERAPEUTIC RIDING ASSOCIATION

for persons with disabilities

February 19th, 2011

Dear Christine McIlveen,

Thank you very much for Edmonton Gymkhana Association's generous donation of \$1400.00 towards Little Bits Therapeutic Riding Association (LBTRA).

There are many children and adults with disabilities who do not have the typical opportunities to go out into their communities and access the activities that they would like to participate in. With support from people like you, the LBTRA is able to offer horseback riding with therapeutic benefits to children and adults. In addition to our riders obtaining better access to their community, riding horses also comes with physical, social, cognitive and emotional benefits.

Your donation will go towards fulfilling many of our goals, including enhancing our program, purchasing specialized equipment and reducing the waiting list of riders. This year we are planning expansion of our program to St. Albert. For more information about the program and how your donation benefits people with disabilities, please visit our website at www.littlebits.ca.

Again, thank you for your support of the LBTRA.

Sincerely,

Olena Dudych
Administrative Officer
