Dear *Edmonton Sikhkan Association*

Thank you for your kind donation to the Parkland Food Bank. Through your support the Parkland Food Bank is able to meet its mandate of providing a fundamental necessity to those in need. The positive impact of this contribution to the community cannot be understated.

This past year saw a record number of clients served by the Parkland Food Bank as difficult economic conditions continued to put pressure on disadvantaged members of our community. With the help of your donation however, we were able to provide a record number of 6,181 hampers to 2,692 clients, including 1,181 children and infants. We would not have been able to meet this level of demand without your generosity.

If you have any questions or comments, please do not hesitate to contact us at 780 962-4565. For news, upcoming events, and additional information please visit our website at www.parklandfoodbank.org.

On behalf of the Board of Directors, volunteers, and clients at the Parkland Food Bank, thank you once again for your support.

Sincerely,

Lorraine Hill
