Dear Christine McIlveen,

On behalf of the Stollery Children's Hospital Foundation and the thousands of sick and injured children we serve, thank you for all of your hard work and efforts in organizing a fundraising event for the Stollery Children's Hospital. Please accept our sincere appreciation for your generous donation of \$1400 from the Edmonton Gymkhana Association.

Each year, more than 150,000 patient visits occur at the Stollery Children's Hospital. Children treated at the Stollery come from all over Alberta, British Columbia, Saskatchewan, Manitoba, the Northwest Territories, Yukon, Nunavut and other parts of Canada.

Our goal is to ensure every child who comes through the doors of the Stollery Children's Hospital receives the best pediatric health care available. We accomplish this by focusing on continuous improvement in technology, research and facility enhancements.

With strong support such as what we have received from you, we have accomplished so much! Thank you for believing healthy children are important.

Continued investment in child health at the Stollery Children's Hospital ensures leading edge services will be there for future generations.

We are honoured to have members of the community support the Foundation through organizing their own fund raising events, and you are one of those outstanding individuals who took the initiative to support our efforts to help children.

Should you have any questions or would like to discuss your ideas for future fundraising events, please feel free to contact me.

Sincerely,

Stephanie Perilli  
Community Initiatives Manager  
Stollery Children's Hospital Foundation
