Dear Ms McIlveen,

On behalf of our patients at the Mazankowski Alberta Heart Institute, I thank you most sincerely for your thoughtful donation.

The heart institute has brought together some of the world's leading heart specialists and researchers to combat all aspects of heart disease. Your donation will help to ensure that this cardiac institute has the most advanced technology and resources available to offer the highest level of complex cardiac care.

Every day, our patients are benefitting from more accurate diagnosis and improved treatments because of the advanced technology, patient care programs and research discoveries that your gift helps support.

Thank you for helping to make a difference in their lives and for helping to keep us on the forefront of cardiac care.

In appreciation of your gift you will be listed as *Edmonton Gymkhana Association* in the Foundation's Annual Report.

I again express our gratitude for your generous support of the Mazankowski Alberta Heart Institute.

Yours sincerely,

Judith Morrison
Director, Donor Relations

*Best wishes for the
